APPLE PIE CONTEST RULES

- Two pies per contestant, please. Bring what you think are YOUR best pies. Period. One pie will be cut for judging and the other is available for sale by the slice or by the whole pie.
- You must deliver your pie to Sussex County Day at the Sussex County Community College no later than 11:30 a.m. on Sunday, May 3, 2015. Bring your pies to the judging tent (location will be marked with signage and located near the ticket booth). Pies will be assigned a number upon arrival for anonymous judging.
- Judging begins promptly at 1:30 p.m. Pies arriving after 11:30 a.m. will be disqualified.
- A team of judges will individually judge the pies using a scoring system. Pies with the highest cumulative score in each category will win.
- Please do not enhance your presentation with cloths, settings, cake stands, searchlights, or other accessories. We simply don't have the room.
- We will remove a slice of pie for judging, and the remainder of the pie will be sold to the public. All funds raised will go to support local scholarships (so everybody wins!)
- The Sussex County Chamber is not responsible for plates, pies or anything submitted for judging, and will discard (or eat) any items left on the tables.
